From Pastor Holley

Welcome to Life Tabernacle! You are always welcome to join with us in whatever is happening around this church!

We began "my family matters" month last week! We are gathering on Monday's in our homes all over this community and drawing closer to God. Not only are we enjoying this devotions, but our Wednesday "Word for Life" will be a series about family relationships and following God's divine order.

This past Wednesday was our Annual Church Business meeting. We are thankful for God's blessings upon our church. Our roster roll change-over has taken effect as of the date of that meeting. I believe the information was clear and open. We are all a part of this team and together we will see our soul-saving mission accomplished.

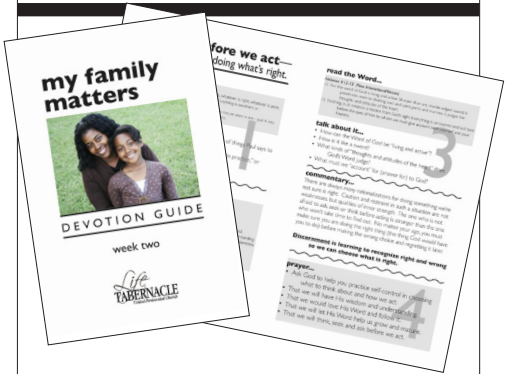

Today is when our children's Sunday School classes will change over to the Xtreme classes. The children will meet at 9:45am in the Fellowship Hall. You'll pick them up following service at that same location. We will begin work on our new Children's Ministry Center in the coming week and hope to be finished before too long! It is a part of our Project:BRIDGE. Your donations to this project is making it a reality!

Community Day @ the church will be held March 28th. We will have the morning classes and service only, followed by lunch and giveaways. Invite everyone to join us!

THE ROUNDUP

Starts today!
Kid's Xtreme Sunday

my family matters
family devotions | mondays in march

The second week's devotion guide is available at the information center. This five week series will be centered on family choices.

"We think before we act - making sure we're doing what's right" is this week's theme. This guide is to help discuss this subject and lead you to a time of prayer each Monday evening.

There is still a prize available for every child, 12 and under, that completes the "WORD FIND" from last week's devotion and brings it to Sis. Karla Holley today. Today is the last day!

This week has no prize, but a maze is included on the back cover just for the fun of it! Life is a maze sometimes and you must think ahead to end up in the right place. Enjoy your family this month. They matter...
